

Acceptable Payment Methods

At African Basket Online, we offer a variety of convenient payment methods to enhance your shopping experience. We understand the importance of providing flexibility and security when it comes to making payments.

To cater to your needs, we accept the following payment methods for your convenience:

Debit or Credit Card: You can securely make payments using major credit or debit cards, including Visa and Mastercard.

Electronic Funds Transfer (EFT): Bank transfers can be used to make payments directly from your bank account. Please note that orders will be processed upon confirmation of payment.

SnapScan: We offer the option to make payments using SnapScan, a mobile payment application that allows for quick and convenient transactions.

Masterpass: Masterpass is a digital wallet service that enables you to store your payment information securely and make payments with ease.

Please note that while we use **Paystack** as our preferred payment gateway, we do not assume liability for any issues, errors, or disruptions that may arise during the payment process. **Paystack** operates as a third-party payment service provider, and your use of **Paystack** is subject to their terms and conditions.

It is important to note that each payment method may have its specific terms and conditions, and you should familiarise yourself with those when using a particular payment method.

By using any of the accepted payment methods, you agree to comply with their respective terms and conditions.

We strive to protect the privacy and security of your payment information, adhering to industry-standard encryption and security measures. However, please note that payments made through third-party payment providers may be subject to their terms and conditions, and we encourage you to familiarise yourself with those as well.
